

Are you a qualified Allied Health Practitioner with Play Therapy certification?

Seeking partners for a rapidly expanding kids therapy practice

We are a fast growing child counselling practice in Highett and Yarraville. Currently practicing Play Therapy and Animal Assisted Therapy.

Looking for Allied Health Clinicians to expand and grow our services offered to children and their families. Learn about us at <https://core-counselling.com.au/>. (website still work-in-progress)

All collaboration and partnership models considered – rental, license, contractor, or employment (part time or full time). NDIS and/or Medicare Registration an advantage.

Fantastic opportunity to explore working within an allied health private practice which services the well-being of children aged 2-12.
